Attached are my suggested edits. I would just note that I've included some comments regarding very sensitive and ongoing deliberations regarding import policy that may not ultimately make the cut, but I wanted to include as a place holder. I'm also sending this over to Liz and her team. Clint/Alex/David, did any of you have edits?

Hi Alex,
Just got a final, OTAQ-blessed version of the MTE comms materials. So, if you haven't started reviewing the versions I just sent, please use these instead!

Best,
Isabel
